FOREVERME SENSPOD TOUCH PADS

SensPod comes with an intuitive touchpad where children and adults can adjust experience settings to support their sensory needs.

Adjustable Lights & Fan

Easily customize light color, brightness, and fan speed for a comfortable, sensory-friendly space.

Sounds, Music & Meditations

Select calming and ambient sounds or kid-friendly guided meditations to reduce stress and boost focus.

Preset & My Zone

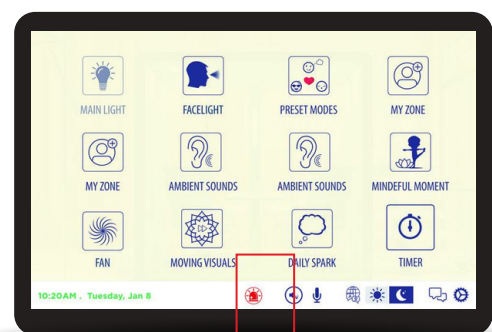

Choose between Calming, Focus, Quiet Time presets or create your own saved profile to quickly match to your mode and goal.

Languages

The touchpad supports multiple languages; **English, French and Spanish** for an inclusive and accessible experience, ensuring everybody can interact with SensPod in their preferred language.

Timer

Support mindfulness and structured use with two modes: Free Timer for any duration, and Focus Session - a guided focus block followed by a short reset break to build sustained attention and healthy routines.

**Emergency
Button**

Daily Inspiration

Enjoy 365 motivational quotes and positive prompts to encourage reflection and a love of reading.

Integrated Emergency Button

Integrated Emergency Button – Because Safety Is Well-Being. ForeverMe is one of the only sensory pods that integrates well-being and safety in one system.
